

New Job Posting

September 10,

HR Business Partner (Part-Time) —Olathe, KS

Are you an experienced HR professional looking for an opportunity to grow and advance your HR career? Do you want to make a difference in the community and complete meaningful work every day? If you are passionate about the employee experience and enjoy working with employees and applicants, stop right here because this might be the job for you! The City of Olathe is looking for a part-time HR professional (working 29 hours per week), to join their team in providing exceptional services to both internal and external customers in the area of HR services.

Key Responsibilities: The HR Business Partner role will include work in recruitment, training, employee relations, coaching and development, and everything related to the employee experience at the City of Olathe as we strive towards a premiere employment experience. The successful candidates will work with a variety of audiences including managers, employees, applicants, and peers through both day-to-day HR support and strategic efforts to help the City of Olathe innovate, collaborate, and work as a team. Each HR Business Partner is assigned specific areas of focus within the various lines of business and these assignments provide great opportunities for team work, growth, and sharing your passion in HR with others.

If you want the opportunity to learn, grow, and continue your HR career in a values based team environment that encourages creativity and innovation, consider joining our team by applying for this opportunity.

To Apply: For more details, including minimum qualifications and application instructions please visit <http://www.olatheks.org>

Application Deadline: October 3, 2021
An Equal Opportunity Employer
